SWPPP HQ

Pond / BMP inspection checklist for owners and HOAs (One-page version)

Free template from SWPPP HQ, an independent site. Not an official SCDES, county, or city form. Check your recorded maintenance agreement, your county or city stormwater ordinance, and your approved maintenance plan for what's required. If your county or city has its own form, use theirs.

Last updated: October 20, 2026

Every field is optional. Items 1 to 4 are the items SC Regulation 72-308.C lists for inspection reports kept by the responsible inspection agency; owners may use them as prompts. Your recorded maintenance agreement and your county or city ordinance set what you must record, how often, and how long to keep it.

Pond or BMP (name or location, as in your maintenance agreement) — Optional · your agreement

Recorded maintenance agreement or maintenance plan (name and date) — Optional · your agreement

(1) The date of inspection — Optional · R.72-308.C(1)
